

# Birth with Love and Wisdom

First International Conference  
on Childbirth

Sofia, Bulgaria

**29-30 May 2010**

- **Reconsidering and Changing Birth Practices**
- **Progress in Maternal and Newborn Care in the European Countries**
- **The Bulgarian Experience**
- **Effects of Birth on Life**
- **The Role of the Midwife**
- **Traditional Midwifery Skills**
- **And more...**

We invite you to come and visit Bulgaria. You will support good birth practices and will benefit by attending a conference with leading international specialists in childbirth care, midwifery and obstetrics.
